

# Toileting Social Story

Sometimes I have to wee. I go to the bathroom when I have to wee.

Sometimes I have to poo. I go to the bathroom when I have to poo.

When I go in the bathroom, I pull my trousers down. I sit on the toilet.

Sometimes I wee in the toilet. Sometimes I poo in the toilet.

When I am finished weeing and pooing, I wipe my bottom with toilet paper.

Sometimes I have to wipe again. I wipe my bottom clean and dry.

After I wipe, I drop the dirty toilet paper in the toilet. I flush the toilet

I go to the sink and wash my hands with soap and water. I dry my hands.
